# The Downtown Oneonta Game

GOHS Children & Youth Programming

Look around you in downtown Oneonta. Write or draw your answers in the game squares.

How many kinds of transportation do you see?	Look down. What pattern or texture do you see?	Where do people gather during the day? During the night?	What is your favorite building? Why?	Look for an interesting color. How many times do you see it from where you're standing?
What kinds of building materials do you see?	Touch a building. How does it feel?	What would you add to this area to bring people together?	Do you hear relaxing sounds? Disturbing sounds? What is causing the sounds?	Look up. What do you see
Where is a space that makes you feel big?	What building would you like to work in? Why?	Do you see any animals? If so, what are they?	What kind of street furniture do you see?	How many different green colors do you see?
Find a column that holds something up.	Where is a place that you could look for help in this area?	Look at a building from a worm's eye view. How does it look different?	Describe a space on Main Street that makes you feel small.	Is there a building that you don't like? Why
What do you smell in this area?	What are some signs of nature in this area?	What is something that might cause a problem in this area?	What is the nicest looking thing that you see?	What is one thing that you would like to tell the mayor about downtown Oneonta?
